Technical documentation and date of its approval by the Russian Maritime Register of Shipping

Specifications TY БКЦ-002TY rev. 11 approved by RS letter No.130-221-02-121195 dated 10.06.2025

The product specimen has been tested under the technical supervision of the Russian Maritime Register of Shipping.

Report No. 25.44.02.03879.130 dated 17.06.2025

Scope of application and limitations

For controlling AC electric drives on sea-going ships.

Type of document issued for the product

MC – Document drawn up by the manufacturer.

02/2025 25.44.01.03628.130

Translation of the legible original. Signatures and seals remain in the original document.
